following Resolution -
Whereas, The Mayors of the State of
Maryland have been requested by the

1912

Associated Boards of Trade of Maryland, to become a Committee to act in Conjunction with the Executive and Legislative Committees of the Said Associated Boards in an effort to secure an Amendment to the good-Roads Law making it Mandatory that the good roads Commission extend the State roads through all incorporated Towns, on the line of said State road, by appropriating and paying a sum, to the respective Municipalities, equal to the cost per square yard of the contiguous State road, same to be expended by the Municipal authorities in a permanent Roadway within the Corporate limits, of a quality equal to or better than that constructed by the good roads Commission at that point, and which roadway must receive the approval of the Chief Engineer of the aforesaid Commission, and

Whereas, all Municipalities pay State Taxes on an assessable basis much greater than the lands outside of their Respective limits, and it is the belief of the Mayor & Council that such a Movement is wise, the demand fair and right, and that it will redound

1912

to the Material Good of the Various Municipalities of the State as well as the Counties in which they are located thereby reflecting Credit on the State at Large.

Resolved by the Mayor & Council of Salisbury, that the Mayor be and he is hereby Authorized to represent the City of Salisbury on said Committee; and in order to advance the Movement and enable him to meet the necessary Expenses of his Connection with the Committee in the Payment for Stationary, Postage, Typewriting, Clerical help, Travelling and other Expenses incident to Same, the Sum of one hundred Dollars or so much thereof as may be Necessary, is hereby appropriated, for which Said Sum the City Clerk is hereby Authorized to Issue a warrant or warrants for the Same, as demanded by the Mayor.
